

# Milissa Blue Design Co. Proudly Presents the Geometric Hues Collection

Designer Handbags and Accessories Featuring Vegan Leather and Swarovski Crystals - Bold and Trendy Designs for Women Who Dare to Dazzle.

---

Designer Carlette Scott from [Milissa Blue Design Co.](#) is pleased to announce the release of her new Geometric Hues Collection. This brand new collection features an exclusive selection of handbags made from vegan leather and embellished with gold metal accents, along with crystal-studded accessories to complete the collection.

The stylish accessories in the Geometric Hues Collection are designed and handcrafted in the bold colors of the rainbow and accented with high-quality Swarovski crystals. Some items in the collection glitter with over 3,000 sparkling crystals, all hand placed for optimum bling.

Milissa Blue Design Co. is known for unique and fun accessories for women who dare to dazzle wherever they may go. Designer Carlette Scott's detail-oriented handbags and intricate crystallized accessory designs exude an unforgettable level of creativity. Each product in the Geometric Hues Collection is individually handmade by the designer herself.

Tastefully combining the elements of vegan leather, sparkling crystal stones and classic rainbow hues, Carlette has created an entire product line of bold and trendy handbags and accessories. The items in the collection are designed to showcase their geometric shapes in a spectrum of colors that make women feel bold, bright and confident.

The new Geometric Hues Collection is scheduled to go live on April 12, 2019. The collection will be exclusively sold on the website <http://milissablue.com> where the limited products are scheduled to sell out by the end of the season.

Several pieces in the collection feature rainbow colors to capitalize on today's trends. The bold colors and high-quality Swarovski crystals mesh seamlessly to create the perfect statement piece for the woman who loves to add color to her wardrobe.

The Geometric Hues Collection ranges in price from \$10.00 to \$360.00, and each individual item in the

collection has its own name. A few examples are:

- Prismatic Dome Tumbler with Swarovski Crystals
- Prismatic Water Bottle with Swarovski Crystals
- Color-block Cube Bag
- Triangle Trinket Bag
- Rectangular Hues Bag

The collection also includes Prismatic Purse Hangers, the perfect solution to keep a Milissa Blue designer handbag from ever having to rest on the floor. Carlette is excited to reveal to her raving fans the new handmade product line collection they have been requesting. The Geometric Hues Collection will be available online for the next 12 weeks, launching on April 12, 2019 exclusively at <http://milissablue.com>.
